SUMMER BRIDGE PROGRAM PARTICIPATION AGREEMENT

Summer Bridge is a year-long program that will provide a once-in-a-lifetime opportunity of strong peer networks as well as the support of professional staff and faculty. The program will also mentally prepare you for the transition you will face as you make your way from high school to college. Summer Bridge will provide you with many benefits but is also designed to be challenging and rigorous. Therefore, we expect a high level of engagement, responsibility, and attention from every participant. The following agreement outlines specific expectations required for full participation in the Summer Bridge Program. Please review this agreement, check mark each line, and sign below.

☐ I will only enroll in courses that I am preauthorized for and make sure to enroll in courses for a letter grade during the summer component of the program.

☐ I understand that attendance will be taken every day during the summer component of the program, therefore, my attendance at all assigned classes, discussions sections, and Supplemental Instruction is mandatory.

☐ I understand that participation in Supplemental Instruction (SI) or additional academic support is mandatory during the academic school year (2021-2022). Summer Bridge students will identify which of their courses are supported by SI and will participate in SI for one of these courses each term.
  a. Students may decide to attend SI for multiple courses, but the requirement is for only one of their enrolled courses.
  b. Adjustments to which course students attend SI for may be made during the term as needed with changes communicated to Summer Bridge Coordinators.

☐ If I become ill, or cannot attend a class due to an emergency during the summer session, I must inform each of my instructors and TAs, as well as the Summer Bridge Program Coordinators prior to the beginning of the class. I am responsible for making up all coursework and submitting any assignments on time. During the academic year, the expectation is to attend courses and discussion sections regularly. Attendance is taken at the discretion of the instructors or TAs in their courses or discussion sections and may be communicated to Summer Bridge Coordinators.

☐ Two (2) absences from any class will result in the forfeiture of my course credit for the entire summer component of the Summer Bridge Program.

☐ I understand that I must keep my video/web camera on at all times during every portion of the summer component of the program to ensure full participation.

☐ My attendance at all scheduled Peer Mxntor team meetings and one to one’s is mandatory during the summer and academic school year (3 sessions/quarter).

☐ I agree to attend and participate in other services as referred by my Summer Bridge Peer Mxntor, and other Summer Bridge Program staff.

☐ HARASSMENT: Physical abuse, threats of violence, or conduct (including verbal harassment) that threaten the safety or well-being of any person are prohibited. Such conduct may lead to dismissal from the Summer Bridge program, and, where appropriate, to campus disciplinary action or legal prosecution. While the term "physical assault" is commonly understood, the term harassment is not. Harassment is also a form of violence; it consists of written or verbal invasion or violation of an individual's rights. It may be racial, sexual or personal in nature and may be conveyed through graffiti, verbal statements on the telephone, internet, social media or other means.

☐ I will monitor and maintain all social media in a professional manner. I assume that any information I publish online is visible and accessible to everyone. I am responsible for my words and actions in all social media and/or internet activity.

☐ Disruptive behavior will NOT be tolerated. Behavior and activity inconsistent with the mission and integrity of the Summer Bridge Program will be subject to disciplinary action and possible dismissal from the program.

☐ I am responsible for filling out all pertinent paperwork, evaluations, follow-up surveys, and will notify the Summer Bridge staff of any changes in my telephone, e-mail, or current/permanent address.

☐ During my transition to UC San Diego, I agree to engage in campus activities that will complement my academics and avoid activities that may negatively impact my academic success.

☐ I understand that Summer Bridge is a year-long process and that fulfilling these requirements is critical to my academic success at UC San Diego.
